Introduction

This directory provides a list of AllCare Advantage's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **P**rietary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. The term "PCP" will be used throughout this directory. Your PCP is a physician, physician assistant, or nurse practitioner who meets state requirements and is trained to give you basic medical care. Your PCP will also assist you in arranging the rest of the covered services you get as a member of our plan. For example, in order to see a specialist, you need to get a referral from your PCP first.

The network providers listed in this directory have agreed to provide you with your: **health care/vision/dental services**. You may go to any of our network providers listed in this directory; however, some services may require a referral. In some cases, you may get covered services from non-network providers. Other providers are available in our network. If you have any questions about whether we will pay for any medical service or care that you are considering, please contact us right away. Customer Care will let you know if we will cover it before you receive the service or care.

If a non-contracted provider submits a bill directly to you, do not pay the bill. Please send the bill to AllCare Advantage at 1701 NE 7th Street, Grants Pass, OR 97526. AllCare Advantage will process the bill and determine if you are liable for any of the costs associated with the bill.

You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor AllCare Advantage will be responsible for the costs.

What is the service area for AllCare Advantage?

The counties in our service area are all of Curry, Jackson, and Josephine counties and parts of southern Douglas County, the following zip codes only: 97442 (Glendale) and 97410 (Azalea).

How do you find AllCare Advantage providers in your area?

This directory lists AllCare Advantage plan providers alphabetically by name, address, city, and phone number in Section 2. If you already have a Primary Care Provider (PCP), check this section of the provider directory to verify he or she is listed. PCPs may include: Medical Doctors (MD), Doctors of Osteopathy (DO), Physician Assistants (PA), and Certified Nurse Practitioners (CNP). All physicians, PA's, and nurse practitioners are credentialed by AllCare Health Plan, Inc. If your physician, physician assistant, or nurse practitioner is not in this directory, you will need to select one who is. Choose a PCP who is easy to get to—one who is close to where you live. After you have chosen a PCP, please inform AllCare Advantage of your selection by calling AllCare Advantage's Customer Care Department. Customer Care will send you your identification card with your PCP's name and office telephone number printed on the card.

If you have questions about AllCare Advantage or require assistance in selecting a PCP, please call our Customer Care Department at (541) 471-4106, (541) 734-5520, or toll free (888) 460-0185, seven (7) days a week 8 a.m. to 8 p.m., Pacific Time. TTY users should call 711. For Language Access call (888) 260-4297. Office hours are Monday through Friday 8 a.m. to 5 p.m., Pacific Time.

Pharmacy Directory

Introduction

This booklet provides a list of AllCare Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and AllCare Advantage's formulary.

When this Provider & Pharmacy Directory refers to "we," "us", or "our," it means AllCare Health Plan. When it refers to "plan" or "our plan," it means AllCare Advantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under AllCare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **11.26.23**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with (P) to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this provider & Pharmacy Directory.

We also list pharmacies that are in our network but are outside Curry, Jackson, Josephine, and parts of Douglas County (Glendale and Azalea only), the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this Provider & Pharmacy Directory on Non-Preferred Mail Order Pharmacies.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact AllCare Advantage.
