OHP Bridge is almost the same as OHP Plus.

The two benefit packages are almost the same. There are a few things that OHP Bridge does not cover. To learn more about what OHP Bridge does not cover, please see the table below, and the related page numbers in the AllCare CCO 2024 Member Handbook.

What OHP Bridge covers:	What OHP Bridge does not cover:
Medical, dental, and behavioral health care. Learn more on page 47	Long-term services and supports. Learn more on page 93
Rides to care. Learn more on page 126	Health Related Social Needs. Learn more on page 124

OHP Bridge is free to members.

Just like OHP Plus, OHP Bridge is free to members. That means no premiums, no co-payments, no coinsurance, and no deductibles.

(over)

OHP members with income changes may be moved to OHP Bridge automatically.

If you have OHP now, you don't have to do anything to get OHP Bridge. If you report a higher income when you renew your OHP, you may be moved to OHP Bridge.

People who do not have OHP right now can apply for OHP Bridge.
