Introduction

This directory provides a list of AllCare Advantage's network providers.

You will have to choose one of our network providers listed in this directory to be your **P**rietary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP. The term "PCP" will be used throughout this Provider & Pharmacy Directory. Your PCP is a physician, physician assistant, or nurse practitioner who meets state requirements. Your PCP is trained to give you basic medical care and will assist you in arranging other covered services you need as a member of our plan. For example, to see a specialist, you will need a referral from your PCP first.

The network providers listed in this directory have agreed to provide you with your **health care** and **vision** services. You may go to any of our network providers listed in this directory however, some services may require a referral. In some cases, you may get covered services from a non-network provider. Other providers are available in our network. If you have questions about whether we will pay for a medical service or care that you are considering, please contact Customer Care right away. Customer Care will tell you if we will cover it before you receive the service or care.

If a non-contracted provider mails a bill directly to you, **do not pay the bill**. Please send the bill to **AllCare Advantage at 1701 NE 7th Street, Grants Pass, OR 97526**. AllCare Advantage will process the bill and determine if you are liable for any of the costs associated with the bill.

You may obtain emergency services from the closest available provider, and you may obtain urgently needed services from any qualified provider when out of the plan's service area or when network providers are unavailable.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor AllCare Advantage will be responsible for the costs.

What is the service area for AllCare Advantage?

The counties in our service area are all of Curry, Jackson, and Josephine counties and parts of southern Douglas County, the following zip codes only: 97442 (Glendale) and 97410 (Azalea).

How do you find AllCare Advantage providers in your area?

This directory lists AllCare Advantage plan providers alphabetically by name, address, city, and phone number in Section 2. If you already have a Primary Care Provider (PCP), check this section of the provider directory to verify he or she is listed. PCPs may include Medical Doctors (MD), Doctors of Osteopathy (DO), Physician Assistants (PA), and Certified Nurse Practitioners (CNP). All physicians, PA's, and nurse practitioners are credentialed by AllCare Health Plan, Inc.

If your physician, physician assistant, or nurse practitioner is not in this directory, you will need to select one who is. Choose a PCP who is easy to get to—one who is close to where you live. After you have chosen a PCP, please inform AllCare Advantage of your selection by calling AllCare Advantage's Customer Care Department. Customer Care will send you your identification card with your PCP's name and office telephone number printed on the card.

If you have questions about AllCare Advantage or require assistance in selecting a PCP, please call our Customer Care at (888) 460-0185 or, for TTY users, call 711. For language access call (888) 260-4297. Calls are answered Monday through Friday, 8 a.m. to 8 p.m., April 1st through September 30th and seven (7) days a week, 8 a.m. to 8 p.m., October 1st through March 31st, Pacific Time. Office hours are Monday through Friday, 8 a.m. to 5 p.m., Pacific Time, or visit our website at **AllCareHealth.com/Medicare**.

Introduction

This booklet provides a list of AllCare Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and AllCare Advantage Redwood Rx's formulary. When this pharmacy directory refers to "we," "us", or "our," it means AllCare Health Plan, Inc. When it refers to "plan" or "our plan," it means AllCare Advantage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under AllCare Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **9.23.26**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with (P), to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Postal Prescriptions. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network, but are outside of Curry, Jackson, and Josephine counties and parts of Douglas County (Glendale and Azalea only), the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies outside Curry, Jackson, Josephine counties and parts of Douglas County (Glendale and Azalea only).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact AllCare Advantage.
